

JAKE TOMLIN
President & CEO

Jake Tomlin has been passionate about aviation since he was five years old. Today, he channels that passion into his role as President and CEO of Papillon Grand Canyon Helicopters and Grand Canyon Scenic Airlines (GCSA), where he works alongside three generations of his family. With over 20 years of experience in professional aviation, Tomlin's background spans both the Department of Defense and the commercial air tour industry.

Before joining Papillon and GCSA, Tomlin served for 11 years in the United States Marine Corps as an officer and F/A-18 pilot. His extensive experience includes management roles in personnel, quality assurance, safety, aircraft maintenance, flight training, and flight operations, both domestically and internationally.

Tomlin is actively involved in several professional organizations, including the National Park Overflight Advisory Group (NPOAG), Vertical Aviation International (VAI), the National Business Aircraft Association (NBAA), and the Young Presidents Organization (YPO). He holds an Airline Transport Pilot (ATP) certificate and has completed Heli-Expo's Helicopter Operator Management Course.

He earned his degree in Systems Engineering from the United States Naval Academy and an MBA from the University of Phoenix.
